

# Just One for Oil Removing Oil and Cleaning!!

## Oil Removal Cleaner

Power of  
"Strong Alkaline  
Electrolysis  
Ionic Solution"

# ION POWER S

### Use

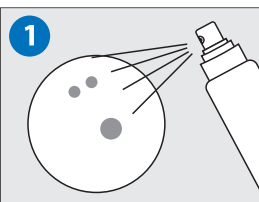

ION POWER S is the unique solution bowling ball cleaner for degreasing lane oil accumulating on the surface of the bowling ball. While it degreases the ball, it also removes dirt and unwanted particles.

## Control Speed, Spin, and Curve, at Your Will!!

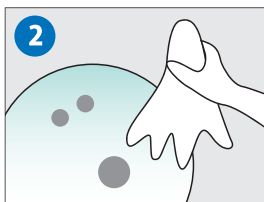

You can remove dirt and oil cleanly without damaging the ball surface by the combination of strong degreasing power of alkaline electrolysis ionic solution and a surfactant. The strong alkaline electrolysis exhibits excellent osmotic strength which penetrates into the layer of oil on the ball surface thoroughly. You can achieve an extraordinary cleansing power which has never been available in the market before. It also has antibacterial effects.

### Directions for Use "Spray Type"

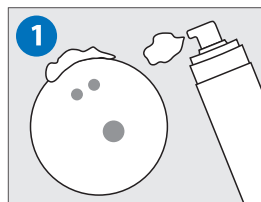

Spray 5 to 6 times to the entire surface of the ball.

Wait 10 to 20 seconds until the oil dissolves.

### Directions for Use "Foam Type"

Pump 5 to 6 times and apply foams to the entire surface of the ball.

Wait until the oil dissolves or rises to the surface.

**3 Wipe off with a dry towel, cloth, etc.**  
Effective for use before and after the game

Get your ION POWER S at your local pro shop and bowling alley!
